

Joey Emgy - I am searching

Intro

Chorus:

Every day I'm searching for the one,
Who goes with me to the end of the world.
Please come with me to discover
The paradise on planet earth.

I need a person who wants to give help
To understand the world around me.
Every day I feel longing
For somebody who's thinking like me.

Vers 1:

I am so tired of feeling alone
I want to see, I want to see, I want to see how I'll get an own life
Full of exciting adventures an endless
And endless dreams about real luck and real love.

Chorus

Vers 2:

I am searching for a real friend and friendship
And I will spend all my time for you and I will skip over all
All my sorrows and problems and fears.
I am so glad, I'm so glad when I know, that you'll stop my tears.

Chorus (2x)

Outro:

Every day I am searching for you.
